24th. November 2022

Scobie & Junor

FDA Approval for Polyethylene Cutting Boards.

This is to certify that our material supplied under the description of PE 500 and PE 1000 is a Polyethylene which meets the requirements of the FDA (USA) regulation 21 cfr 177-1520 "olefin polymers" and 178.2010 dated 10.4.92

The material is listed in the USA under test-no. 4453010.

In addition to that it is hereby confirmed that the above mentioned material also complies with the requirements of the Bundesgesundheitsamt as published under No. 11 on 6/6/69 and 7/11/69 the regulation III Polyethylene 01.01.1983 (Germany) and 14.4.91 food regulation 5,31,31.

Our Manufacturers/Suppliers have also confirmed that they fulfil both directives namely:
