

Declaration of Conformity

This Data sheet is applicable to: Bonzer® Litegrip, Unigrip & Extended Unigrip Portioners
Datasheet Update Date: 30/08/2018

LITEGRIP

UNIGRIP

EXTENDED UNIGRIP

Product Part Numbers:

Bonzer® LITEGRIP Part no 10101-01 and its derivatives 02,03,04,05,06,07,08,09,10,11,12,28,29,30

Bonzer® UNIGRIP Part no 10123-03 and its derivatives 04,05,06,08,09,11,12,13,15,17,18,20,49,50,52,54

Bonzer® EXTENDED UNIGRIP Part no 10124-01 and its derivatives 02,03,04,05,07,08,09,10,11,12,13,14,15,16

Manufacturer: Mitchell & Cooper
136-140 Framfield Road
Uckfield
East Sussex
TN22 5AU England

Hazard Identification

These products do not contain substances classified as hazardous under (REACH) or US OSHA regulations.
Technical Guide on Metals & Alloys used in food Contact Materials of Council of Europe under CM/Res (2013) 9.
Form part of the EU Regulation EC1935/2004 Food Contact Safety Directive.

Main materials used in the construction of the above named items are.
304/305 Stainless Steel (Bowl, Tube, Rod & Sweeper Blade)
Polyoxymethylene (Handle, Size Peg)

Individual Material Safety Data Sheets for the above materials are available upon request
All components contained in the product range are suitable for contact with food.

Handling and Storage

Handling: See instructions for use

Storage: No special storage is required unless specifically stated on the packaging or on the information leaflet supplied with the product

Disposal Considerations

Dispose of the packaging and/or product according to the recommended disposal technology at any approved facility and in compliance with national, federal, state and local regulations.

DISCLAIMER:

This Data is indicative only and as such is not to be relied upon in place of the full specification.

All information is based on our present knowledge and is given in good faith. No liability will be accepted by the Company in respect of any action taken by any third party in reliance thereon.

Please note that the 'Datasheet Update' date shown above is no guarantee of accuracy or whether the datasheet is up to date.

The information provided in this datasheet has been drawn from various recognised sources, including EN Standards, Independent Accredited Test Houses, recognised industry references (printed & online) and manufacturers' data.

No guarantee is given that the information is from the latest issue of those sources or about the accuracy of those sources.

Materials used in products supplied by the Company may vary from this data, but will conform to all relevant and applicable standards.

As the products detailed may be used for a wide variety of purposes and as the Company has no control over their use; the Company specifically excludes all conditions or warranties expressed or implied by statute or otherwise as to dimensions, properties and/or fitness for any particular purpose, whether expressed or implied.

Advice given by the Company to any third party is given for that party's assistance only and without liability on the part of the Company.

All transactions are subject to the Company's current Conditions of Sale. The extent of the Company's liabilities to any customer is clearly set out in those conditions, a copy of which is available on request.
